

POLICY STATEMENT ON BEHALF OF PROTECTED VETERANS AND INDIVIDUALS WITH A DISABILITY – 41 CFR §§ 60-300.44(A), 741.44(A)

It is the policy of Huhtamaki, Inc. not to discriminate against any employee or applicant for employment because he or she is a qualified individual with a disability, a disabled veteran, a newly separated veteran, a campaign veteran, or an armed forces service medal veteran (i.e., qualified protected veterans). It is also Huhtamaki's policy to take affirmative action to employ and to advance in employment all persons regardless of their status as qualified individuals with disabilities or qualified protected veterans, and to base all employment decisions only on valid job requirements. This policy shall apply to all employment actions including, but not limited to: recruitment, hiring, upgrading, promotion, transfer, demotion, layoff, recall, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship, at all levels of employment.

Employees of and applicants to Huhtamaki will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have engaged or may engage in filing a complaint, assisting in a review, investigation, or hearing or have otherwise sought to obtain their legal rights related to any federal, state, or local law regarding equal employment opportunity for qualified individuals with disabilities or qualified protected veterans.

As President of Huhtamaki, I am committed to the principles of affirmative action and equal employment opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the company, I have selected the local HR managers as the Equal Employment Opportunity (EEO) Coordinators for Huhtamaki's facilities. One of their duties will be to establish and maintain an internal audit and reporting system to allow for effective measurement of the equal employment/affirmative action activities in each facility.

To further our policy regarding affirmative action and equal employment opportunity, Huhtamaki has developed written Affirmative Action Programs for Individuals with Disabilities and Protected Veterans that set forth the policies, practices, and procedures that we are committed to applying in order to ensure that our policy of non-discrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is accomplished.

The Affirmative Action Program for Individuals with Disabilities and Protected Veterans is available for review by any employee or applicant for employment during normal business hours by contacting the Corporate HR Manager/ EEO Coordinator, Jack Brekke, at 913-583-8856. Employees or applicants with questions regarding Huhtamaki Affirmative Action Programs may contact Mr. Brekke.
