

Envirable[®] molded fiber clamshells

Envirable[®] hinged containers provide a sturdy and versatile solution to serve, carry out or deliver hot and cold foods with confidence.

Huhtamaki

Molded fiber clamshells

- Strong enough to withstand heavy food.
- Stackable for easy delivery and take-home portability.
- Molded fiber insulates to maintain food temperature during dine-in or carry-out.
- Customizable embossing available to highlight your brand.
- Provides cut and grease resistance for confident food handling.

Sustainable Features

- Made from a mix of bamboo and bagasse, a by-product of the sugarcane harvesting process.
- Produced with natural fibers from annually renewable resources.
- Clamshells are BPI-Certified and TUV HOME compostable.

Item	Item Description	Case Pack	Case Weight	Case Cube	Case Dimensions			Pallet
