

Paper Pro[®] Naturals[™] molded fiber hinged clamshells

Paper Pro[®] Naturals[™] clamshells offer a dependable, versatile packaging solution with clean presentation, efficient performance, and broad foodservice appeal—made in the USA and designed to meet everyday operational needs.

Huhtamaki

Molded fiber hinged containers

- Made in USA.
- Sure-snap closure design ensures containers remain closed.
- Natural color complements a variety of menu styles and presentation formats.
- Serves as a sustainable alternative to traditional EPS foam and plastic clamshells, offering familiar functionality with a fresh look and feel.
- Delivers a strong, reliable option for serving, transporting, or delivering hot and cold meals.
- Provides cut and grease resistance for confident food handling.
- Engineered for efficient stacking, enhancing portability and convenience.
- Molded fiber composition helps keep food at the right temperature during dine-in, takeout, or delivery.
- Embossing options available to elevate your brand presence and packaging appeal.

Sustainable Features

- Made from at least 50% recycled material.
- BPI-Certified compostable in commercial facilities only, which may not exist in your area.
